PSSC Meeting

January 27th @ 6:30pm

7. DEC Update – Sofia Rodriguez Gallagher, upcoming 5 year election. Supposed to attend 7 school's PSSC meetings but has only been to the 3 in Perth until tonight. Brought us posters to put up around the school, chronic absenteeism and long term commitment. Inquiry about breakfast and lunch program; we have a wonderful breakfast program and can order lunch from DFMS. We are funded from Breakfast Clubs of Canada, Food Bank, Pond Hockey and local donations. Sofia was looking at our SIP and indicators, discussed our PLCs, and was given our school data survey. There are plans to build new schools however, due to budget, some of the proposed and approved plans are being altered. Budget cuts coming our way in this district.
